Subscribe

## Add your email address and select location

AMERICABLE

- 4 Add your "email address" and **select** the radio button option "**Only Specific Components**".

This will ensure you only get updates for the Base and service you subscribe to.

- 5 **Select location** for Internet and/or AmericableTV.

- 6 Then press the **Subscribe** button.

- 7 You will now be subscribed to receive notifications when there is a system problem. Thank you.
